

CERTIFICATE

To Whom It May Concern,

I, Dr. Mark D. Eyre (Ph.D. - Department of Biological Sciences, The Open University, Walton Hall, Milton Keynes, MK7 6AA, U.K.) provided comprehensive editing services for the Manuscript entitled *„The role and function of granin proteins in diabetes mellitus“* by *Zoltan Herold, Marton Doleschall, Aniko Somogyi*, which is under consideration for publication in World Journal of Diabetes. The edit has achieved Grade A: priority publishing; no language polishing required after editing.

Should you require any additional information, please do not hesitate to contact me.
