### *Retrospective Study*

Totally laparoscopic total gastrectomy using the modified overlap method and conventional open total gastrectomy: A comparative study

TLTG with modified overlap method

### Abstract

#### BACKGROUND

Although several methods of totally laparoscopic total gastrectomy (TLTG) have been reported, the best anastomosis technique for totally laparoscopic total gastrectomy (LTG) has not been established. The best anastomosis technique for totally laparoscopic total gastrectomy (LTG) has not been established.

Dec 08, 2016 · Construction of an esophagojejunostomy is still a challenging procedure in **totally laparoscopic total gastrectomy** (TLTG), and there is no standard anastomosing **method**. The aims of this **study** were to describe our TLTG with the **overlap method using** a linear stapler and report surgical outcomes. From January 2015 to April 2016, 50 patients underwent TLTG **using** the **overlap method** ...

## Totally Laparoscopic Total Gastrectomy for Gastric Cancer ...

<https://pubmed.ncbi.nlm.nih.gov/25458736>

There has been a recent increase in the **use of totally laparoscopic total gastrectomy** (TLTG) for gastric cancer. However, there is no scientific evidence to determine which esophagojejunostomy (EJS) technique is the best. In addition, both short- and long-term oncological results of TLTG are inconsi ...
