

Certificate of Editing by a Native English Speaker

February 3, 2021

Dear Editor,

Oxford Editing hereby certifies that on February 3, 2021, we copyedited the abstract and the body of the article "Hepatic and gastrointestinal disturbances in Egyptian patients infected with coronavirus disease-19: A multicentre cohort study," authored by Shousha et al.

One of our professional editors, a native English speaker, copyedited the article, focusing on such issues as grammar, language usage, punctuation, and stylistic consistency.
