

Dear Editor,

This is to certify that the manuscript "Polyamines and polyamine-metabolizing enzymes in schizophrenia. Current knowledge and concepts of therapy" to be submitted after revision by Bernstein HG, Keilhoff G, Laube G, Dobrowolny H and Steiner J to the journal "World Journal of Psychiatry", has been edited for proper English language, grammar, punctuation, spelling, and overall style by a native speaker. Neither the research content nor the author's intention were altered in any way during this process.
