

07/24/2020

To whom it may concern:

The purpose of this letter is to verify that eWorldEditing, Inc. provided the editing services for the following manuscript:

**Clinical characteristics of patients in their forties who underwent surgical resection for colorectal cancer: A study from a single tertiary center in Korea**

**Corresponding Author: Se-Jin Baek**

The edited document was returned to the writer on 07/24/2020. We are unaware of any changes or additions made to the manuscript after that time.

Sincerely,

Jerry Nairns  
eWorldEditing, Inc.
