To Whom It May Concern,

Hereby I, Marco Cintoni, corresponding author of the paper entitled "*Neoadjuvant treatment: A window of opportunity for nutritional prehabilitation in patients with pancreatic ductal adenocarcinoma*" by Trestini I et al.,

confirm that the R1-revision version paper has been revised for English language by a native English speaker, Mr. Philip Egger.

I remain at your disposal for any clarification,

Yours sincerely,
Marco Cintoni, MD
