## Certificate Service Confirmation

11 August 2021

To whom it may concern:

The purpose of this letter is to inform you that I, E. Michelle Frank, acting on behalf of Adeptify, LLC, have provided a second round of comprehensive editing services for revisions made to Manuscript ID: 03920636, "**A tale of two kinases: PKA and CaMKII in prediabetic cardiomyopathy**," an invited review for your journal. The corresponding author, Dr. Angélica Rueda, has utilized my editing services on several occasions. I am a well-established, native English-speaking editor, writer, and grants consultant; I also have subject-matter familiarity with Dr. Rueda's work.

The edits have brought the manuscript to Grade A: priority publishing; no language polishing required after editing.

Should you require any additional information, please do not hesitate to contact me.

Best regards,

Michelle Frank
