## **CERTIFICATION OF ENGLISH**

Date: Jan 29, 2021

Title: Recent update on comprehensive therapy for advanced hepatocellular carcinoma

Authors: Hui Wang, Wei Li

I certify that I have edited this manuscript for proper (American) English spelling, grammar, and syntax, and that it now meets the standards for correct and high-quality scientific English suitable for publication in an English-language journal.

I am a native English-speaker, was born in the United States of America, and have over 15 years of experience in editing medical and scientific manuscripts.

Marilyn R. Carlson  
Medical Editor  
Member, American Medical Writers Association
