SPECIFIC COMMENTS TO AUTHORS

The manuscript has been written on an interesting topic. There are few issues needed to be resolved before further consider of this manuscript. 1. Please revise the figure 2. The axes of this figure are not properly mentioned that makes the figure less communicative. 2. Figure 3 is drawn very superficially. The figure requires major revision. 3. Please provide elaboration of the terms being used first time in the text. 4. The manuscript requires further English revision.
