**Dear Reviewer #1:**

Thank you for your comments concerning our manuscript. Those comments are valuable and very helpful for revising and improving our paper, as well as the important guiding significance to our researches. We have studied comments carefully and have made correction which we hope meet with approval. Once again, thank you very much for your comments and suggestions.

The responds to your comments are as flowing:

1.For the diagnosis of celiac disease, at least one biopsy should be obtained from the duodenal bulb (ESPGHAN guideline). I recommend this statement should be added to "the Introduction part of the manuscript (second paragraph)".

**Reply:** *Thank you for your suggestion. We have made correction according to your comment.*
