- EchoTipInsight-HV-PV.png
- EchoTipTJ-HVPG.png

Permission is for use in your review article to be published in World Journal of Hepatology published by Baishideng Publishing Group in 2021 for worldwide distribution.

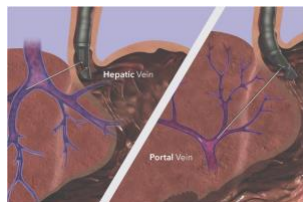

Credit and permission shall read, "Permission for use granted by Cook Medical, Bloomington, Indiana" and can be placed in either a footnote or reference section. Permission is granted for print and electronic, one time use only, further editions/uses must be re-submitted to ensure the most current assets. Permission is non-transferable. NO REDRAW MAY OCCUR. Please keep in proportion when sizing.

Thank you for including our products in your published media, we appreciate it.

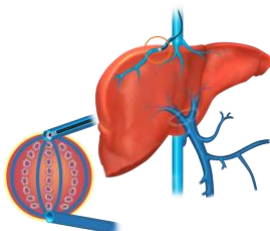

Regards,  
Pam Summerville

A handwritten signature in black ink that reads "Pam Summerville".
