

For the attention of: Editorial Office, *World Journal of Psychiatry*

To whom it may concern:

In my capacity as a professional freelance Scientific English Editor (of almost 20 years standing) and English Mother-tongue (of just over 60 years, still standing), I, Christopher Paul Berrie, hereby confirm that I have edited the following manuscript for correct and scientific use and understanding of the English language:

Title

The ‘-omics’ of suicidal behaviour: a path to personalised psychiatry

Authors

Katarina Kouter, Alja Videtič Paska

Affiliation

Institute of Biochemistry and Molecular Genetics, Faculty of Medicine, University of Ljubljana, 1000 Ljubljana, Slovenia

This declaration is supplied to the authors upon request as confirmation that this language revision has been carried out. As such, this declaration relates only and directly to the above-detailed manuscript and its submission to *World Journal of Psychiatry*.

Should the Editorial Office or the Editor of *World Journal of Psychiatry* require further information, I can be contacted directly at: berrie.christopher@libero.it.

Confirmation of my professional status through my P.IVA/ VAT N° (since 2001; see below) can be obtained through the European Commission VIES website at: http://ec.europa.eu/taxation_customs/vies/.

Date: 26 February, 2021

Signed:

UNSIGNED
