

January 9, 2017

Dear Dr. Jaques Belik,

**RE: PROTOCOL APPROVAL**

The Animal Care Committee has assigned the status of APPROVED to your submitted protocol and has assigned it a protocol number to be used with all communication with LAS.

Protocol Title:                    ***“Developmental determinants of gastric mobility in rodents”***

Assigned Protocol #:           **41975 (Rat)**  
  **41976 (Mouse)**

Annual Animal Budget:       **111 (Rat)**  
  **98 (Mouse)**

Protocol Approval Date:       **January 9, 2017**

Your protocol will be active for 3 years from the approval date; however you are required on a yearly basis to complete a Renewal Form to validate your protocol. At the end of the 3 years, you will be required to submit a new protocol to continue your work.

If you require any further information or assistance with this protocol, please feel free to contact me.

Sincerely,

Michelle den Hollander, M.Sc.  
Animal Care Committee Coordinator  
Peter Gilgan Centre for Research and Learning
