

# ***SERVICIOS DE INGLÉS DAVIES***

## **EDITORIAL CERTIFICATE**

Ref: Manuscript N° 65674

We herein certify that the following document has been edited for English language by Richard Davies M.A., consultant scientific editor at *Servicios de Inglés Davies* with more than 25 years' experience editing articles for high-impact journals in multiple medical fields. Every effort was made to ensure that neither the research content nor the authors' intention were altered in any way during the editing process. We certify that the edited paper is English-ready for publication.

Manuscript title: *Importance of BRCA mutation in the current treatment of pancreatic cancer beyond maintenance*

Authors: Joaquina Martinez-Galan, Isabel Rodriguez, Octavio Caba

Layla Davies-Jimenez
