**Gut Microbiome: Next Frontier of Precision Medicine - AACC**<https://www.aacc.org/cln/articles/2020/may/gut...> ▾

May 01, 2020 · Nucleic Acids, Viruses/Microbes. Tremendous advances in next-generation sequencing and omics technologies have catapulted microbiome science into an exciting new frontier in medicine. Emerging data suggest that the microbiome—the rich ecosystem of more than 100 trillion bacteria, fungi, and viruses in and on the human body—is integral in almost all aspects of human health and
