SPECIFIC COMMENTS TO AUTHORS

Dear authors, Thank you for submitting this letter for potential publication in the World Journal of Methodology. I am of the opinion that the topic is within the scope of this Journal and the research question you addressed is interesting. Language use is satisfactory, and the overall style meets the published standard. Specific comments
Core tip should be different to your abstract. Study title accurately reflects on the contents of this paper. The abstract summarizes what the work has described in the text and key word selection is accurate. Biostatistics used are correct reflecting on the authors' earlier experience in this field and references are up-to-date.
