To Whom It May Concern,

This is to certify that the manuscript no. 66399, newly titled “Impact of COVID-19 on the Presentation, Management, and Outcomes of Acute Care Surgery for Gallbladder Disease and Acute Appendicitis” (previously: “Impact of the COVID-19 Pandemic on the Presentation, Management, and Outcomes of Acute Care Surgery: A Retrospective Study of Gallbladder Disease and Acute Appendicitis”) was both written by one or more native English speakers and subsequently edited for English language usage, grammar, spelling, and punctuation by one or more native English-speakers at Stanford University School of Medicine.

Should you require any additional information, please do not hesitate to contact me.

Thank you,

Micaela Esquivel, MD
