**Xiaochaihu decoction for nonalcoholic fatty liver disease ...**<https://journals.lww.com/md-journal/subjects...>

Mar 26, 2021 · Xiaochaihu decoction (XD), a compound recipe composed of Chaihu, Huangqin, Banxia, Shengjiang, Renshen, Dazao, and Gancao, has been confirmed effective in treating NAFLD. In this article, we aim to perform a systematic review to evaluate effectiveness and safety of XD in the treatment of NAFLD to provide reference for clinical application.

**Electroacupuncture to treat gastroesophageal reflux ...**<https://trialsjournal.biomedcentral.com/articles/10.1186/s13063-016-1371-8>

May 17, 2016 · Gastroesophageal reflux disease lowers the quality of life and increases medical costs. Electroacupuncture has been used to ease symptoms and improve gastrointestinal motility in patients with gastroesophageal reflux disease. The main purposes of this study are to evaluate the efficacy and safety of this procedure. This is a protocol for a randomized, patient-blinded, assessor-blinded, sham ...
