

January 8, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 6662-review.doc).

Title: Drug-induced autoimmune liver disease: a diagnostic dilemma of an increasingly reported disease.

Author: Agustín Castiella, Eva Zapata, María I. Lucena, Raúl J. Andrade.

Name of Journal: *World Journal of Hepatology*

ESPS Manuscript NO: 6662

The manuscript has been improved according to the suggestions of the Editor and the reviewers:

- 1 Editor suggestions: we have corrected title page (institutions of the authors), add the Core tip to the manuscript, and spell out the abbreviations when first appear.
- 2 Revision has been made according to the suggestions of the reviewer

Reviewer 1: spell out abbreviations as they first appear in the text.
A reference of CIOMS is present (reference 34) when we first comment about CIOMS score.

Reviewer 2: no changes required.

Thank you again for publishing our manuscript in the *World Journal of Hepatology*.

Sincerely yours,

Agustin CASTIELLA MD, PhD
