

I have reviewed the Peer-Review Report, full text of the manuscript, and the relevant ethics documents, all of which have met the basic publishing requirements of the World Journal of Clinical Pediatrics, and the manuscript is conditionally accepted. I have sent the manuscript to the author(s) for its revision according to the Peer-Review Report, Editorial Office's comments and the Criteria for Manuscript Revision by Authors. Before final acceptance, the author(s) must add a table/figure to the manuscript.

**A table has been added as per the advice.**

1 Scientific quality: The manuscript is review on food allergy in children. The topic is within the scope of the WJCP. (1) Classification: Grade C, (2) Summary of the Peer-Review Report: the author has written a good review on food allergy. (3) Format: There is no table and figure; (4) References: A total of 89 references are cited, including 10 reference published in the last 3 years; (5) Self-cited references: There is no self-cited references.
