RE: IRB# IRB 2884: David G. Jagelman Inherited Colorectal Cancer Registries (Internal)

Dear Dr Liska:

Your submission on 1/25/2021 of the Clean Consent Form, Consent Form with Tracked Changes, Clean study fact sheet, study fact sheet with tracked changes was **approved** under expedited review on 2/8/2021.

The consent is being updated to include the YOCRC patients.

The stamp-approved documents are available online under the Approved Documents tab.

Written consent is required to document that each person has been adequately informed about this research and voluntarily agrees to participate prior to any involvement in the research.

Re-consenting enrolled subjects is not applicable because this change does not include significant findings that would impact participant willingness to continue participation.

Please note that human subjects research at Cleveland Clinic has been impacted by COVID-19. The study team is responsible for compliance with the enterprise-wide restrictions related to research. This information is available on the Intranet, including the Center for Clinical Research homepage.

If you have any questions or concerns, you may contact the IRB Office at 216-444-2924 or email IRB@ccf.org.

The study expiration date of 4/29/2021 remains unchanged.

Sincerely,

A handwritten signature in black ink that reads "Bridget Howard".

Bridget Howard, Esq., CIP
Executive Director, IRB and Human Research Protections
