TO WHOM IT MAY CONCERN

I hereby state that the article "Celiac disease: from genetics to epigenetics", Manuscript number 67204, written by Elisa Gnodi, Raffaella Meneveri and Donatella Barisani has been proofread by Maureen Naomi Queen, a native English speaker specialized in revision and translations of scientific articles. The article has achieved Grade A priority publishing status and is now ready for publication.

Yours sincerely,

Donatella Barisani, M.D.
