Dear Editor

WAIVER OF LANGUAGE EDITING CERTIFICATE

The included manuscript was completed by Dr. Etienne Rabe, a South African citizen, who speaks English fluently.

The study itself, which formed part of a Master in Oncologic Imaging, was completed in Port Elizabeth, Eastern Cape, South Africa. The data and research was acquired from South African records.

On behalf of the authors I hereby wish to request that the required language editing certificate is waived.

Yours faithfully

Dr. Etienne Rabe
