To whom it may concern:

I have edited and proofread the manuscript “**EFNA1 in gastrointestinal cancer: expression, regulation and clinical significance**” by Ling-Yu Chu et al., which is under consideration for publication in your journal. The editing and proofreading were based on standard scientific English writing guidelines based on my experience as a scientific author and reviewer. I am also a native English speaker. This certificate is issued upon the request of the corresponding author Dr. Yi-Wei Xu. If you have any inquiries, please do not hesitate to contact me through my mobile phone number or email address given below.

Sincerely,
