

## ANSWERING REVIEWERS

January 7, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: Li wenxiang - edited-6731-review.doc).

**Title:** Primary melanoma of the colon presenting as ileocecal intussusception and intestinal obstruction : A case report and literature review

**Author:** Li WX, Wei Y, Jiang Y, Liu YL, Ren L, Zhong YS, Zhu DX, Ye LC, Qin XY, Niu WX, Xu JM

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:**6731

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) Thank you for your suggestions.

(2) The patient underwent an open exploration, not a laparoscopic surgery. I am sorry that it is a word mistake. We have modified the abstract.

(3) The plain abdominal computered tomography (CT) scan revealed no liver metastases.

(4) Our manuscript had been edited by the company of American Journal Experts. We've asked the company to send you a recommendation letter.

(5) Format of references was corrected carefully.

(6) The discussion was further modified.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in black ink on a light blue background, appearing to read 'Xu JM'.
