To Whom It May Concern,

Our editing company provided comprehensive editing services for the **ESPS Manuscript No: 6741**, **"Dietary habits of colorectal neoplasia patients in comparison to their first-degree relatives"** which is under consideration for publication in your journal, the **World Journal of Gastroenterology**. The edit has achieved Grade A: priority publishing; no language polishing required after editing.

Should you require any additional information, please do not hesitate to contact me.

Kind regards,

Jennifer C. van Velkinburgh, PhD
