Non-Native Speakers of English Editing Certificate for World Journal of Clinical Oncology

I, Dr.Eleni Porfyriou, the corresponding author of the paper “Hematopoietic stem cell mobilization strategies to support high-dose chemotherapy in relapsed/refractory germ-cell tumors”, declare that the authors of the present manuscript are non-native English speakers, but our manuscript has been reviewed for clarity by a colleague whose native language is English.

Eleni Porfyriou; MD (for all authors)
