We are pleased to inform you that funding in the amount of \$306,137 (see "Proposed Award Data" in Section I) is being awarded to support the above named project. Funds will be provided by fiscal year according to the award calculation and the budget start date. The funding amounts cited in this Notice of Award may not match the allocations provided to your medical center because funds are provided to VA sites by fiscal year. The VA fiscal year starts on October 1st and ends on September 30th each year. Minor changes to the budget will not be reflected here but can be found in the "Pink Sheet" generated from the VA RAFT program. Contact the VA Research Office at your medical center to obtain a copy of your "Pink Sheet" which will provide you with fiscal year funding amounts and will incorporate changes to the budget.

Please refer to Section III for Terms and Conditions of the award.

If you have questions about this award, please contact the individual(s) referenced in Section II below.
