Object: XXXV PhD program support

I, the undersigned Prof. Amedeo Amedei, associate Professor of the Department of Experimental and Clinical Medicine (DMSC – University of Florence), certifies that Dr. Giulia Nannini won a position with scholarship in the doctoral program of clinical science (cycle XXXV, academic year 2019/2020) at the University of Florence (Italy). In detail:

1) “Microbiota composition and systemic inflammation in HIV+ patients of different ethnicities” (PhD Giulia Nannini, Tutor Professor Amedeo Amedei)

Best regards,

**Prof. Amedeo Amedei**
