**Dr.MD. Nguyen Cong Long**

Gastroenterology and Hepatology Center at Bach Mai National Hospital  
Department of Gastroenterology at School of Medicine and Pharmacy, VNU

Dear Dr. Nguyen Cong Long,

Hereby, the University of Medicine and Pharmacy belonging to Vietnam National University – Hanoi (VNU-UMP) testifies that your study on “Brunner’s Gland Hyperplasia Associated with Lipomatous Pseudohypertrophy of the Pancreas Presenting with Gastrointestinal Bleeding” is partly funded by the Vietnam National University – Hanoi through sponsoring the VNU-UMP’s Fund for Research and Innovation under Grant Coded QGSP.2021.06. The Grant values equivalent 6000 USD.

Wish you and your team success with the study!

On behalf of the Rector

Assoc. Prof. Dinh Doan Long

VNU-UMP Vice – Rector for Research and Innovation
