

## **Response to Reviewer's Comments**

Reviewer(s)' Comments to Author:

1. The abbreviation used in the conclusions of the abstract should be defined.

**Reply:**

Thank you for your comments. Following your instructions, I have revised “DBE” to “Double-balloon enteroscopy”.

2. The title of Figure 3 in the last page should be changed.

**Reply:**

Thank you for your comments. Following your instructions, I have revised “Macroscopic findings” to “Macroscopic and microscopic findings”.
