

## Format for ANSWERING REVIEWERS

January 20, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 6937-review.doc).

**Title:** Multidrug-resistant bacterial infections after liver transplantation: An ever-growing challenge

**Author:** Guilherme Santoro-Lopes, Erika Ferraz de Gouvêa

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 6937

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 The article was condensed. The word count of the article was reduced by approximately 1000 words and 33 references cited in the former version of the text were removed.

3 The two references recommended by the reviewer are now cited in the manuscript (please see references 7 and 8)

4 A list of abbreviations was prepared and submitted as a supplementary file, since the format for "Topic Highlight" does not include the list as a required part of the manuscript

5 The manuscript was edited by the AmEditor, Inc, which provided a certificate for the language quality of the article

6 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in blue ink that reads 'Guilherme Santoro-Lopes'.
