

**Non-Native Speakers of English Editing Certificate for *World
Journal of Psychiatry***

I, Prof. Francisco López-Muñoz, the corresponding author of the invited paper ID number 03899098 titled “**THE ROLE OF SERENDIPITY IN THE DISCOVERY OF CLASSICAL ANTIDEPRESSANT DRUGS: APPLYING OPERATIONAL CRITERIA AND PATTERNS OF DISCOVERY**”, declare that the authors of the present manuscript are non-native speakers but the new version of our manuscript has been reviewed for clarity by a colleague whose native language is English.

Francisco López-Muñoz, MD, PhD (for all authors)
Vice-Chancellor for Research and Science
University Camilo José Cela
Madrid, Spain
