

## Certificate of Biostatistics

08-07-2021

To whom it may concern,

Titel of study:

**Predicting the Outcome of Closed-Loop Small Bowel Obstruction by Preoperative Characteristics**

First author: Masja K. Toneman

This letter is to confirm the reviewing of the statistical methods and techniques used in the aforementioned article and are to my opinion appropriate for the research.

Sincerely,

Anne van der Pool, Ph.D. Biostatisticsc NIHES,  
Haaglanden Medical Centre, The Hague, The Netherlands
