Dear Dr Raja

### **RE: Ethics Application – Approval**

The Central Australian Human Research Ethics Committee (CAHREC) considered your research project '**Standards of care in liver cirrhosis in Central Australia – A retrospective study**' at its meeting on the **20<sup>th</sup> June 2019**.

The Ethics Committee agreed that this project meets the requirements of the National Statement on Ethical Conduct in Human Research.

The Committee members decided to **grant approval** for your project to proceed.

The period for which approval has been given is from the date of this letter until the **30<sup>th</sup> June 2020**. If you do not complete the research within the projected time please request an extension from CAHREC.

Ethics approval is contingent upon the submission of an annual Progress report and a Final report upon completion of the project. It is the responsibility of researchers to make a note of the following dates and submit these reports in a timely manner, as reminders may not be sent out. Failure to submit reports will result in your ethics approval lapsing.

Your Final report is due on:

**30<sup>th</sup> June 2020**

Copies of the report form can be downloaded from the CAHREC website.

Yours sincerely

**Chris Schwarz**
