

1 October 2020

Dr Eugene Wong Yu Jun
Department of Gastroenterology & Hepatology
Changi General Hospital

Letter of Award: Nurturing Clinician Scientist Scheme (NCSS) Award

Dear Eugene,

Project Title: Primary prophylaxis for advance cirrhosis featuring small intestinal bacterial overgrowth to prevent further decompensation: a double-blinded placebo-controlled randomized controlled trial using Rifaximin.

Congratulations! You have been selected to receive the NCSS Award, a SingHealth Duke-NUS Medicine Academic Medicine Programme (Medicine ACP) Research Support Programme Grant, for the above project. Below are the details of the award:

Grant No.: 03/FY2020/P2/14-A87
Award duration: 3 Years
Award start date: 1 Oct 2020
Award end date: 30 September 2023
Funding amount: \$225,000
Protected time for research: 30% FTE per year for three years of the award period

I trust that this award will help you to obtain necessary data for you to apply for the NMRC TA and CSA in the near future and embark on a clinician scientist career. I look forward to your contribution in translating scientific knowledge into improvement of healthcare quality and outcomes.

Yours sincerely,

A/Prof Loo Chian Min
Academic Chair
Medicine Academic Clinical Programme

A/Prof Charles Chuah Thuan Heng
Vice Chair for Research
Medicine Academic Clinical Programme

CC: Head, Department of Gastroenterology & Hepatology (CGH)
Deputy Director, Medical Staff Services, Human Resources Department
