World Journal of Anesthesiology

Dear Editor,

We should like to submit the enclosed manuscript (entitled " **Dexmedetomidine vs propofol in intensive care unit patients** ") for publication as a Letter to the Editor.

We also guarantee the paper is a Grade A manuscript and we therefore don't need external language editing services.

We are looking forward to receiving your editorial evaluation.

Thank you for your kind attention.

Sincerely yours,

Dr. Andrea Messori
Firenze
ITALY

Email: andrea.messori.it@gmail.com

A handwritten signature in black ink, appearing to be 'A. Messori', written over the printed name and contact information.
