

Certificate of Biostatistics

To whom it may concern

Title to study:

Survival and functional outcome in the patients with cerebrovascular diseases treated with perioperative mechanical ventilation

Chief investigator: Kan Xu

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research.

Please contact me if you have any queries.

Sincerely,

A solid black rectangular box used to redact the signature of the chief investigator.
