**Interplay between chronic hepatitis B and atherosclerosis: innovative perspectives and theories**

Dear Editors and Reviewers,

Thank you for the suggestions you raised and the opportunity to polish and prepare our paper in the form for publication in a prestigious World Journal of Gastroenterology.

Based on yours review, we corrected our paper and the corrections are highlighted in red color.

We hope that after these corrections our paper may be published in WJG.

On behalf of the authors,

Sincerely,

Mihailo Bezmarević, MD, MSc, PhD
