

Manuscript Editing Certificate

We hereby certify that the article titled "**Clinical implications of diabetes in chronic liver disease: diagnosis, outcomes and management. Current and future perspectives**" submitted to WJG, was partially written, translated and edited to the best by us who are also coauthors of the manuscript. We are originally from Japan and India, countries where the English is one of the official languages.

We hope that this information is satisfactory for your requirements. However, if you need any further information or clarification, please feel free to contact

Sincerely,

Tsutomu Nishida MD, PhD (Japan)  Oct, 6th,2021

Ramesh Kumar MD (India)  Oct, 7th 2021
