

**Title: SEPTIC SHOCK 3.0 CRITERIA APPLICATION IN SEVERE COVID19 PATIENTS: NA
UNATTENDED SEPSIS POPULATION WITH HIGH MORTALITY RISK**

REC: 2020_EO_02

This letter is to confirm that i have read the ethics application submitted by the study authors and in my opinion the statistical methods and techniques mentioned are appropriate for the research.

I'm at your disposal for any information necessary.

Sincerely,

Tiago Silva, Ph.D., Department of Clinical Investigation, Centro Hospitalar Lisboa Ocidental
