NO: 73736

Manuscript Type: META-ANALYSIS

Date: 20-Jan-22

Dear Editor,

We confirm that the manuscript has been thoroughly revised to the best possible standards to ensure English language quality. We have co-authored several publications in the English language before.

Concerning a Non-Native Speakers of English Editing Certificate, we don't have any funding to get a professional certificate of that kind. Your kind understanding of our financial limitations in this regard will be highly appreciated.

Thanking you.

Sincerely,

Dr. Sumanta Saha
