

Dear editors and reviewers of *World Journal of Clinical Cases*,
I am very glad to hear from you and receive your comments about my manuscript. It's a great honor for us that our manuscript can be accepted by the journal. Your comments are very professional and we all accept it. The article is modified as follows according to your comments:

Comments:

The course of diagnosis and treatment of lung-specific infections takes more than half a year, and serious complications may occur, which may threaten the physical and mental health of pilots and even lead to grounding, and is a serious threat to the combat effectiveness of naval aviation corps. In this manuscript, the authors reported interesting cases of tuberculosis and cryptococcal pneumonia. The cases are well described and very interesting. The manuscript is very well written. After a minor editing, it can be accepted for publication.

This is an interesting case report of tuberculosis and cryptococcal pneumonia. The cases reported in this manuscript are very interesting, and well discussed. The reviewer recommends an acceptance to this manuscript.
