

Biostatistics Review Certificate

Cremona, 20/01/2022

We certify that the statistical analyses of the study "Endoscopic ultrasound diagnostic gain over computed tomography and magnetic resonance cholangiopancreatography in defining etiology of idiopathic acute pancreatitis" were performed by Annalisa De Silvestri.

Dr. De Silvestri specializes in health statistics and works at the Biometry and Clinical Epidemiology service of the IRCCS San Matteo Hospital Foundation, 27100 Pavia, Italy.
