

PERMISSION TO USE THE CLINICAL FRAILTY SCALE (CFS)®
as developed by Kenneth Rockwood, MD

The undersigned is granted permission to use, reproduce and distribute the CFS® in the format attached¹ for educational purposes and for non-commercially funded research and/or quality assurance projects. The CFS® must be administered free of charge to patients.

A formal Licensing Agreement is required for research funded by any commercial entity or pharma or for use in routine clinical care.

The copyright holder reserves the right to prospectively follow-up at any time to determine whether use of the CFS® meets the conditions described above.

Reselling of the CFS® or other commercial development without a license agreement is prohibited by copyright.
