Subject: submitted study, non-native speaker certificate of English Editing

I am a native English speaker and an Academic Author. I personally reviewed the study "THERAPEUTIC STRATEGIES FOR POST-TRANSPLANT RECURRENCE OF HEPATOCELLULAR CARCINOMA" Manuscript ID: (04499974), submitted to the Journal "World Journal of Gastroenterology" by Doctor Carlo Sposito as Corresponding Author.

I confirm that the submitted material is presented in a correct and polished English language that meets the requirements of academic publishing.

Should you require any additional information, please do not hesitate to contact me.
