Editor-in-Chief

World Journal of Gastroenterology

and

Marc D Basson, FACS, MD, PhD

Associate Editor

World Journal of Gastroenterology

Dear Editor(s),

This is to certify that the statistical analysis of the manuscript entitled

"Effectiveness, safety, and drug sustainability of biologics in elderly patients with Inflammatory Bowel Disease: a single center retrospective study"

submitted to the *World Journal of Gastroenterology* was performed by Peter Lakatos and was verified by the biostatistical group of the McGill University.

Thank you for your time and consideration.

Sincerely,

Peter LAKATOS, MD, DSc, FEBG, AGAF

Director of IBD Centre, Professor of Medicine

McGill University Health Centre, Montreal General Hospital,
