

ANSWERING REVIEWERS

January 25, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 7555-review Final 20140129.doc).

Title: Fibrogenesis in alcoholic liver disease

Author: Hideki Fujii, Norifumi Kawada

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 7555

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) A short running title of less than 6 words should be provided. Would you like to revise it?

Thank you for your suggestion. Running title have intensively added to our manuscript (page 1, line 8).

(2) Author contributions should be provided. Would you like to revise it?

Thank you for your suggestion. Author contributions have intensively added to our manuscript (page 1, line 14-15).

(3) Please write a summary of less than 100 words to outline the most innovative and important arguments and core contents in your paper to attract readers.

Thank you for your comment. Core tip have intensively added to our manuscript (page 5, line 50-58).

(4) Please provide the decomposable figure of Figures, whose parts are movable and can be edited. So please put the original picture as word or ppt or excel format so that I can edit them easily

Thank you for your comment. Original ppt file has intensively uploaded.

(5) I carefully read "**WRITING REQUIREMENTS OF TOPIC HIGHLIGHT**" and realized following.

ABSTRACT; An informative, unstructured abstracts of no less than 200 words should accompany each manuscript.

So this section has intensively modified.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Hideki Fujii, MD
