Dear editor

I hope this finds you well

**Re: Biostatistics Review Certificate “Global research on *Clostridium difficile*-associated diarrhea: a bibliometric and visualized study”**

The statistical methods of this study were reviewed by members of bibliometricians and biomedical researchers as experts in this field worldwide and published more than 80 articles in the scientometric field. They have reviewed the manuscript in all processing of analysis.

**Should you require any additional information, please do not hesitate to contact me.**

My regards

Professor Waleed Sweileh

Dean of Scientific Research

An-Najah National University

Nablus, Palestine
