

**Weill Cornell Medicine**

**New York-Presbyterian**

### **Certificate of Biostatistics**

March 14<sup>th</sup>, 2022

To Whom It May Concern:

I have extensive experience performing statistical analyses for clinical research. This letter is to confirm that I have read the ethics application for the following study:

Title of Study: Prevalence and Factors Associated with Vitamin C Deficiency in  
Inflammatory Bowel Disease

In my opinion, the statistical methods and technique are appropriate for this study.

Please contact me with any concerns or questions.

Sincerely,

**Robert Battat MD**

Assistant Professor of Medicine

Jill Roberts Center for IBD

Division of Gastroenterology and Hepatology
